Mileage: 103000 ft

Fuel: Petrol

Information Standard Features - Power steering, drivers airbag,

supplémentaire:

Immobiliser, colour coded bumpers. Just taken in part exchange. We offer this car as is as a part exchange to clear. It has a comprehensive service history with 9 service stamps. There is a noise when the clutch is depressed and we suspect the trust bearing is in need of replacement. Please note this Ka is the later model with the Duratec engine with chain driven overhead camshaft. The engine runs well.
