This Mercedes Benz CL600 is very familiar to us as we sold it to its previous owner, so we are delighted to be able to offer it again knowing its history. This car has 10 stamps in its service history book, 6 from a Mercedes main dealer, 3 from independent garages and its last service by us at 91,906 miles. This car currently has a valid MOT which expires January 2014 and it is supplied with 2 sets of keys. This car also has a very high spec and details can be seen below for a complete list.
