Information A very bright and clean example, owned as a

supplémentaire: weekend car by same mature couple for years., Air conditioning, Speedtronic cruise control, 16" 6 spoke alloy wheels (4), Electric windows, Electric seat adjustment, Central locking + panic button, Reach adjustable steering column, Electronic Stability Programme, Radio cassette, Anti-slip regulation traction control, Sports seats, Alarm system with interior protection, Heated electric door mirrors, Electronic engine immobiliser, Height adjustable front seats. Just part exchanged this week for a new car, the same mature couple have owned this car for a number of years as a weekend 'pleasure car'. Hence it has very low mileage for the year. In fact, the car has only had 2 owners for the last 10 years. Very respectable condition, with very respectable service history, and great value for a Mercedes with a folding hard top roof! Due in next week. More photos will follow. Call to arrange an early viewing., 20 images at our website, [twilliamscarsales](http://twilliamscarsales.com). All dealer facilities.
