Information Brilliant first car cheap to run and cheap to insure

supplémentaire: group 1, Hi , I'm selling my black Volkswagen fox. , 1.2L petrol 3dr. , It's in good condition for age and mileage and has covered 75k. , Was serviced at 68k privately. , Full years MOT which runs out April 2015 , And taxed until sep14 , , Genuine reason for sale as I've recently bought a bmw 1 series and so the fox has to go. , Great first time car which help me build up my no claims. , Group 1 insurance so very cheap to insure and cheap to run. , Not had any problems with it. , , The car itself is in good condition the interior is brilliant general wear and tear. , The outside has a few Scruffs here and there on the side of the door and bumper. Not highly noticeable but nevertheless wear and tear.
