Information This is a beautiful Lambo with a very high spec,

supplémentaire: perfect for the summer. Upgrades include Satellite navigation system, Engine frame in visible carbon fibre, Dual colour trim. Full leather Interior, 12 months warranty included, Four wheel-drive, Right hand-drive, This 2008 LP640 E-Gear Roadster is a UK car, the bodywork is Balloon White which looks fantastic in the sun, with the pearlescent bits in the paint glistening. The white body is broken up with black highlights, the B-pillars, rear diffuser, fabric roof and air intakes are black and the 18" Hermera alloy wheels are shiny black. The interior is Nero Perseus with Bianco Q-Citura leather seats with Nero contrast stitching, Nero carpets and Nero leather dash with white stitching. It is of course a Roadster, so the fabric roof is fully removable to give that open air driving experience. Once it is removed,
