Standard Features - Power Assisted Steering - Variable. We are different. No high pressure salesmen - we are a small family run business, selling all our cars ourselves with 30 years experience. 70% of our custom is made up of word of mouth and repeat customers, many of which come back year after year for servicing, repairs and tyres. We offer a personal service, value for money and high quality cars. We have an onsite garage with tyre fitting bay staffed by 7 mechanics.
