Now please read a brief description of the condition:
Service history nearly all Citroen (recorded at
15286, 31500, 48600, 49700, 57900, 66900, 73200
and 84900 miles) MOT until June 2014.
Cam/Timing Belt changed at 73200 miles Really
well maintained and cared for. Overall very good
condition for age. No major scratches or dents only
very minor blemishes. The interior showing no real
signs of wear at all. 85000 miles. All vehicles I
advertise have been fully checked on all registers
e.g. major accident or stolen. HPI Certificate
available on request. V5 document present. MOT
certificate present
