first time and drives like brand new. If you've been looking for a nice simple 300 TDi Discovery then look no further! Genuine low miles with all receipts from new. Servicing has been nothing short of obsessive, everything has been done to the highest standard whether it has needed doing or not. It has had the same owner for the last ten years and even comes with a written journal of work carried out over the last decade. No sunroofs so no leaks and no rust at all anywhere, rear arches and boot floor are original and untouched, as is the chassis. It has NEVER had an advisory on an MOT and all electrics items work as they should. It has just had a new timing belt and comes with a matching set of five General Grabber A/T tyres.
