indicator, Drivers airbag, Passenger airbag, Traction control, Body coloured bumpers, Heated door mirrors. Lovely car to drive, built in sat-nav, built in handsfree bluetooth kit, trip computer, full leather and electric seats. air con, electric windows, two new rear tires, power steering cruise control, rear parking sensors, ABS, 6 disk CD changer. this car was my pride and joy, only selling due to second child on the way. only fault with this car is that the sound system becomes muffled at low volume (possible loose connection to amp) that will need attention, other than that is a great car.
