Further Details: Heated Seats, Parking Sensors etc. Finished in a

very rare colour, Glacier Green this car looks stunning. The paintwork and bodywork are in excellent condition. A superb looking car with a deep all over shine, the polished Msport Alloys look fantastic. This example has the chrome option, so the window trims and bumpers etc have chrome which works really well with this colour, makes this car really stand out. One of the last facelift cars, so you get fully colour coded sill trims etc along with the factory clear rear lights that help give it a sharper look. The last owner has had this car on show at Gaydon for the last couple of years, its a really good looking example. The leather interior is still nice and soft, showing no real wear at all, fully electric and heated seats, all working as it should. The specification includes PAS, ABS, Traction Control, Electric windows, Electric sunroof, Electric mirrors, Auto fold Mirrors, Dual air conditioning, Electric seats, Heated seats, Msport alloys, Front and Rear Parking sensors, Msport multifunction steering wheel, Cruise control
