below. UK fitted Kenwood Touch Screen GPS Navigation and Premium Front and Rear Park Sensor System. The new struttower brace, which holds a Bullitt unique ID badge and serial number, as well as the cold air intake system, comes from Ford Racing. The strut, shock, and spring tuning is sportier than the GTs. Zero to 60 takes just 5.0 seconds, but it feels even stronger than that. The ride quality is firm and well controlled. The carbonmetallic front pads prove fade resistant as they heated up. Its crisper, sharper, and a bit quicker than a standard GT. Though not as fast as a GT500, its better balanced and less expensive. The Bullitt has a classy, stealth look and a heritage all its own. Black Full leather Interior,
