miles, BLACK OVER WHITE. The combination of its cheeky looks, Powerful little turbocharged engine and a high degree of personalisation make Fiat's 500 a very desirable car with a modest price tag. In convertible form this 500C variant offers buyers a genuine windinthehair experience. This particular 500C is finished in Black over White with contrasting White alloy wheels and a black retraceable top. It also boasts a luxurious contrasting light grey almost white LEATHER interior to top the whole package off! The powerful Turbocharged power plant coupled to the automatic transmission with paddle shift option is a blast. Features of the car include Airconditioning, power retractable roof, power assisted steering, remote door entry, electric windows all around and much more. Factor in the feisty qualities of the Abarth variant and the opentop roof, this 500C certainly has fire in its belly. Please Call Our Sales Team today for more information
